Drive with Confidence.

There's only so much you can do to prevent the occasional breakdown especially as your car gets older. With AutoLifeRx, you'll have the added security of knowing that in the event of a mechanical failure you'll be protected. AutoLifeRx is proven to help cool your engine more evenly which protects the internally lubricated parts of your engine, transmission, and water pump from excessive wear and tear. This means you can drive with confidence.

Why AutoLifeRx?

AutoLifeRx protects your vehicle for an additional five years or 100,000 miles. With AutoLifeRx, you can drive with confidence knowing your vehicle is protected from those high costs of repairs in the event of a breakdown.

What is AutoLifeRx?

[Learn More Here](#)

AutoLifeRx is an environmentally safe coolant additive that preserves the life of your vehicle in several ways. It transfers heat evenly throughout the cooling system, lowers oil temperature, and helps eliminate hot spots helping your vehicle to avoid overheating. All of this will lessen the chance of unnecessary wear and tear on the most essential components of your vehicle. By using the AutoLifeRx additive, you will enhance your vehicle's performance while prolonging its life.

[Program Highlights](#)

The AutoLifeRx Warranty.

With the AutoLifeRx warranty program you'll be protected up to 5 years or an additional 100,000 miles, whichever occurs first, on parts and labor for repairing your vehicle's engine, transmission, and water pump. You'll also enjoy the added comfort of knowing your AutoLifeRx warranty is backed by one of the strongest-performing insurance companies in the industry.

Frequently Asked Questions (FAQs) -

When will I receive my AutoLifeRx Product and what do I do with it?

If you have not received your additive within 90 days from the sale date, please contact us immediately. Once you receive your product, please follow the instructions detailed in the box for installation and also return the enclosed registration form to complete the process.

How often do I need to have my oil changed?

It is imperative that you have your vehicle professionally serviced as per your specific warranty. Please refer to the maintenance section of your warranty for an explanation of the necessary requirements.

Can I personally change the oil in my vehicle and still be covered?

No. It is imperative that your vehicle's motor oil be changed at a commercial facility to ensure that it is done properly. This prevents issues with unverifiable receipts. Handwritten receipts will not be accepted.

Who pays the shop for the repairs on my vehicle?

All approved claims are paid directly to the repair facility. Remember that all repairs need to receive approval from our claims department prior to any tear down or repairs.

What does the warranty cover?

ENGINE and WATER PUMP - All internally lubricated parts of engine, including pistons, piston rings, piston pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and camshaft bearings, timing chain and timing gears, intake and exhaust valves, valve springs, oil pump, push rods, rocker arms, hydraulic lifters, rocker arm shafts and water pump. The Engine Block and Cylinder Heads are not covered unless damaged by an above listed internally lubricated covered part. **TRANSMISSION** - Internally lubricated parts of manual or automatic transmissions, including , oil pump, drums, planetaries, sun gear and shell, shaft(s), bearings, shift rail, forks, and synchronizers. The Transmission / Transaxle case and the torque converter are not covered unless damaged by an above listed internally covered part. **TRANSFER CASE** - Repair or replacement of internally lubricated parts. The transfer case housing is not covered unless damaged by an above listed internally covered part.

What should I do in the event of a breakdown?

Please call and ask for our claims department.

Will AutoLifeRx cover the cost of my rental vehicle?

In most cases, AutoLifeRx will reimburse you for a rental vehicle; however, please refer to your warranty to determine if coverage applies in your state.

Will AutoLifeRx pay for towing?

In most cases, AutoLifeRx will reimburse you for towing expenses; however, please refer to your warranty to determine if coverage applies in your state.

Can I transfer my warranty to another party?

Yes; however, transfer eligibility is decided on a case by case basis. After our administrative office has reviewed your maintenance records and other pertinent information, we will determine if your warranty is eligible for a transfer. If you are interested in transferring your warranty, please call our administrative office.
